⑪ Nameplate

⑫ Side Lock Adapter

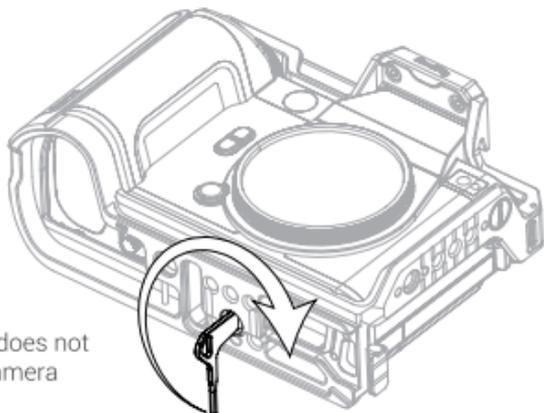

## Cage Installation

Step 1: Install the camera into the cage from behind and lock the cage by tightening the 1/4"-20 screw with a dual head wrench

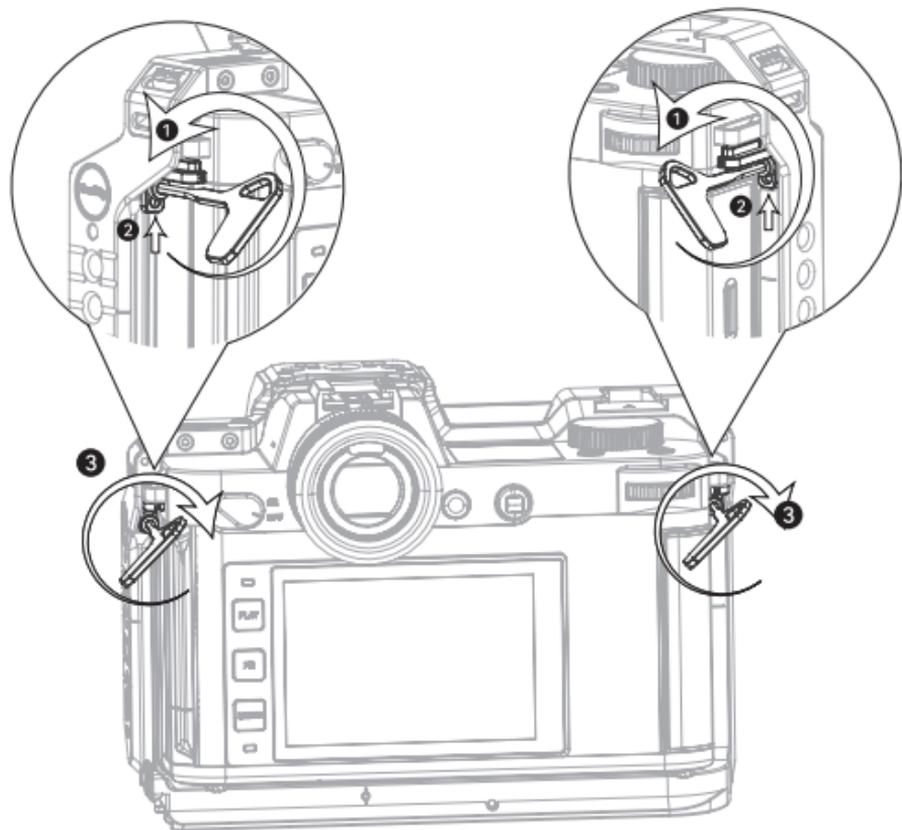

\* The package does not include the camera

\* The package does not include the camera

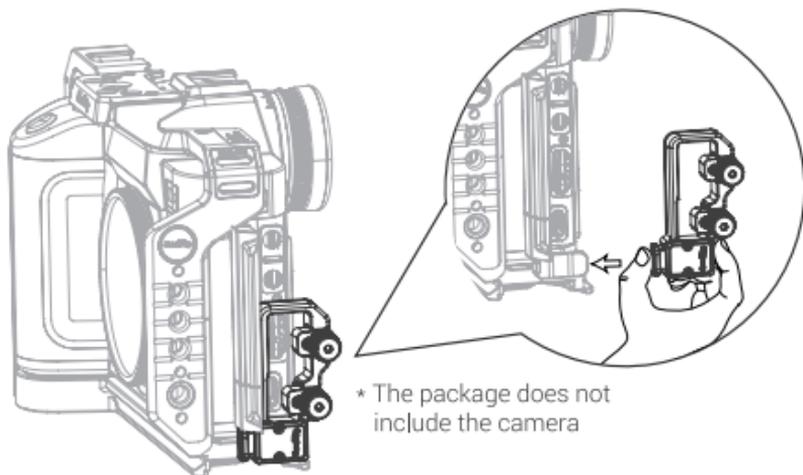

- Step 2: ❶ Loosen the locating blocks on both cage sides (do not unscrew the screws completely).
- ❷ Push the locating blocks upward into the shoulder strap slots on both sides of the camera.
- ❸ Lock them with the dual head wrench.

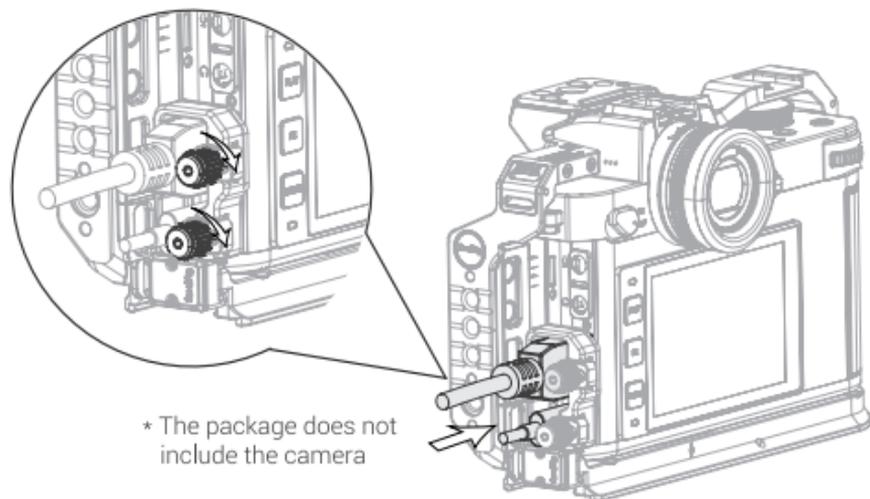

\* The package does not include the camera

## HDMI & USB-C Cable Clamp Installation

Step 1: Open the camera HDMI & USB-C interface cover, press the button on the left side of the cable clamp, and slide in to install

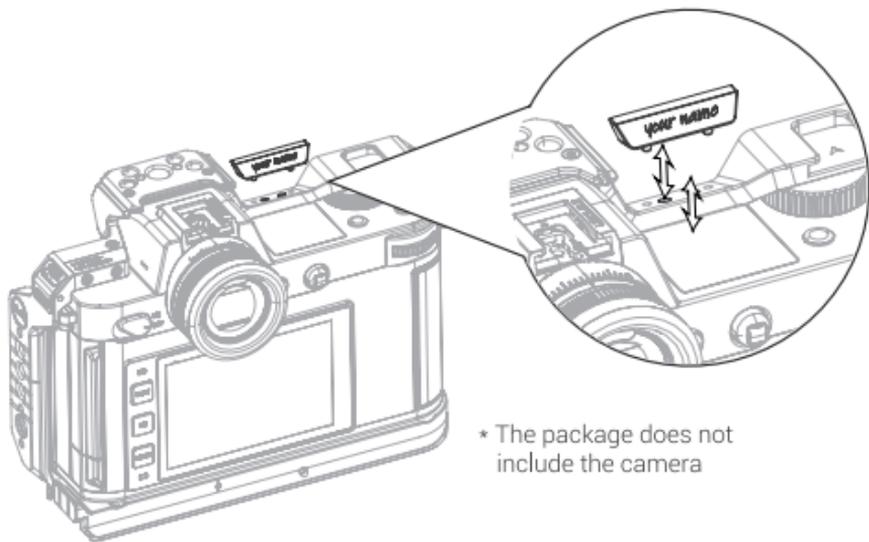

Step 2: Insert the cable and tighten the thumbscrews to secure the cable

## Installation and Removal of Nameplate

Place the nameplate on the cage, the built-in magnet attracts it to the cage. Pull to remove.

\* The package does not include the camera
