## Crab-Shaped Super Clamp Kit (with Ballhead Magic Arm)

Operating Instruction

SmallRig Crab-Shaped Super Clamp with Ballhead Magic Arm 4373 includes a ballhead magic arm, a crab-shaped clamp, an action camera mount, and a phone holder. There is a 1/4"-20 screw on one side of the magic arm for an action camera, monitor, LED video light, microphone, etc. The ball head features anti-slip threads for a firm lock. An anti-twist structure secures the ballhead magic arm to the crab-shaped clamp firm to ensure they do not become loose or fall off while moving. The clamp opens as wide as 54mm/2.1in and is compatible with DJI Ronin, FREEFLY MOVI Pro, and any 30mm rods, with easy adjustment via a knob. The clamp is embedded with pads which effectively protects the clamping object and enhances the stability of the clamping. The entire kit can be used with the included action camera mount to adapt to GoPro Hero Cage 3084C & 3083C, Frame for Insta360 X3 4088B, and Cage for DJI Osmo Action 4119. The phone holder supports 56-86mm wide and no more than 9mm thick smartphones.

## **Safety Guidelines**

### **1. Environment**

Do not use the product underwater, in extreme temperatures (e.g., freezing or direct heat), corrosive environments, or excessive dust. Dry metal parts immediately after liquid contact to prevent corrosion.

### **2. Load Capacity**

Do not exceed the maximum weight capacity indicated on the product. Overloading risks structural failure, deformation, or accidental drops.

### **3. Cleaning & Maintenance**

Clean surfaces with a dry, soft cloth. Avoid chemicals like alcohol or solvents. Ensure dry and ventilated conditions for long-term storage.

### **4. Structural Integrity**

Do not modify the product (e.g., drilling, cutting)—this compromises structural integrity and increases drop risks.

### **5. Malfunctions**

Stop use immediately if you notice deformation, unusual noises, or loose components, and contact support.

## In the Box

Crab-Shaped Clamp × 1  
Phone Holder × 1  
Guarantee Card × 1

Ballhead Magic Arm × 1  
Action Camera Mount × 1

## Product Details

# Easy to Use

Anti-Slip Hinge Design

All-in-One Connection

Built-in Anti-Slip Pads

Min:  $\Phi 14\text{mm}$

Max: 54mm

Anti-twist design

Newly designed ball heads increase friction and load-bearing capacity up to 1.5 kg / 3.3lb

Made of aircraft grade aluminum alloy and stainless steel, sturdy and durable

# Specifications

**Product Dimensions:** 12.9 × 3.6 × 1.0in / 238.0 × 92.0 × 25.0mm

**Package Dimensions:** 5.7 × 4.1 × 2.2in / 145.0 × 104.0 × 57.0mm

**Product Weight:** 9.1±0.2oz / 259.0±5.0g

**Package Weight:** 11.2±0.2oz / 318.0±5.0g

**Material(s):** Aluminum Alloy, Stainless Steel
