

SmallRig

Cage Kit for Panasonic G9 II / S5 II / S5 IIX

Operating Instruction

SmallRig Cage Kit for Panasonic LUMIX G9 II / S5 II / S5 IIX 4143 is designed to assist with handheld shooting and attach accessories. It includes a cage, a HDMI & USB-C cable clamp and a top handle, in which, the top handle, ergonomically designed to enhance grip, connects to the cage via NATO clamp and the thumbscrew-tightened cable clamp can fix HDMI & USB-C cables at the same time. Among the accessory mounting points, 1/4"-20 threaded holes support Side Handle 3322, Holder for Portable Power Banks BUB2336; cold shoe mounts suit microphone, LED video light, monitor, etc; and ARRI 3/8"-16 locating holes fit Monitor Mount 2903B. It also comes with a NATO rail on the left for Side Handle 3847 and strap holes on both sides, which are compatible with hand strap. Besides, a magnetic wrench is included for easy disassembly and assembly.

Safety Guidelines

1. Environment

Do not use the product underwater, in extreme temperatures (e.g., freezing or direct heat), corrosive environments, or excessive dust. Dry metal parts immediately after liquid contact to prevent corrosion.

2. Load Capacity

Do not exceed the maximum weight capacity indicated on the product. Overloading risks structural failure, deformation, or accidental drops.

3. Cleaning & Maintenance

Clean surfaces with a dry, soft cloth. Avoid chemicals like alcohol or solvents. Ensure dry and ventilated conditions for long-term storage.

4. Structural Integrity

Do not modify the product (e.g., drilling, cutting)—this compromises structural integrity and increases drop risks.

5. Malfunctions

Stop use immediately if you notice deformation, unusual noises, or loose components, and contact support.

In the Box

Guarantee Card × 1

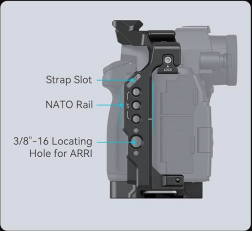

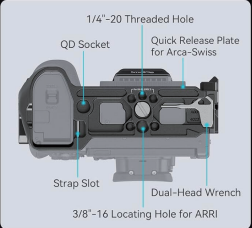

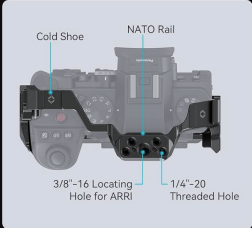

Top Handle × 1
