

SmallRig

Drop-in HawkLock Universal mini Quick-Release Clamping Mount Plate Kit

Operating Instruction

SmallRig Universal mini Quick Release Plate and Clamp 3513B comprises a quick release plate and a baseplate. The quick release plate supports devices with 1/4"-20 threads, such as cameras, monitors, cages, mounting plates, etc.; And the quick release plate is reserved for 2 optional dowel pins, which can be removed and installed as needed to effectively prevent the devices from deflection. Its 1/4"-20 threaded holes on the bottom allow attaching devices with 1/4"-20 screws, like tabletop tripods, ball heads, etc. It can buckle vertically and stably into the baseplate, causing not deflection. The whole kit, featuring a maximum dynamic load capacity of 5kg, is easy to lock and unlock for multiple shooting scenes. With built-in silicone pads on the top to prevent deflection and scratches.

Safety Guidelines

1. Environment

Do not use the product underwater, in extreme temperatures (e.g., freezing or direct heat), corrosive environments, or excessive dust. Dry metal parts immediately after liquid contact to prevent corrosion.

2. Load Capacity

Do not exceed the maximum weight capacity indicated on the product. Overloading risks structural failure, deformation, or accidental drops.

3. Cleaning & Maintenance

Clean surfaces with a dry, soft cloth. Avoid chemicals like alcohol or solvents. Ensure dry and ventilated conditions for long-term storage.

4. Structural Integrity

Do not modify the product (e.g., drilling, cutting)—this compromises structural integrity and increases drop risks.

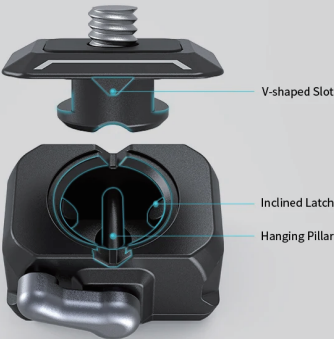

5. Malfunctions

Stop use immediately if you notice deformation, unusual noises, or loose components, and contact support.

In the Box

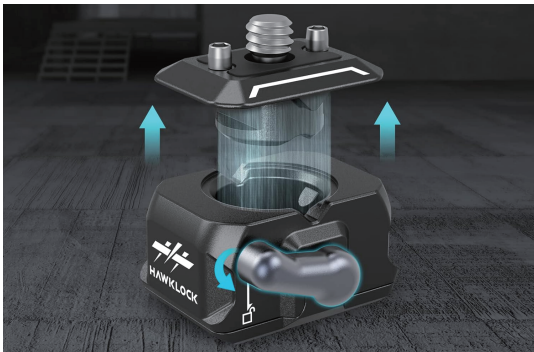

Quick Release Clamp and Plate	× 1	Allen Wrench	× 1
Guarantee Card	× 1		

Product Details

Quickly Locked and Unlocked In Swconds

Though a click without jamming

*Triple module locking structure
More firmly and stably

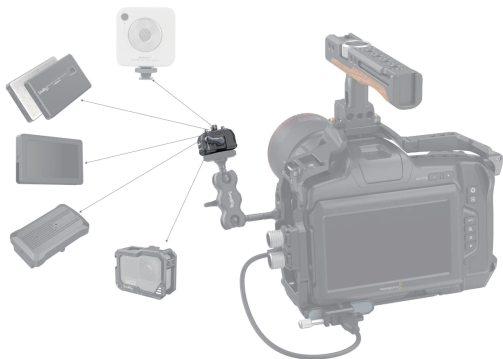

Optional Dowel Pins

The quick release top plate features two removable dowel pins effectively prevent the devices from deflection

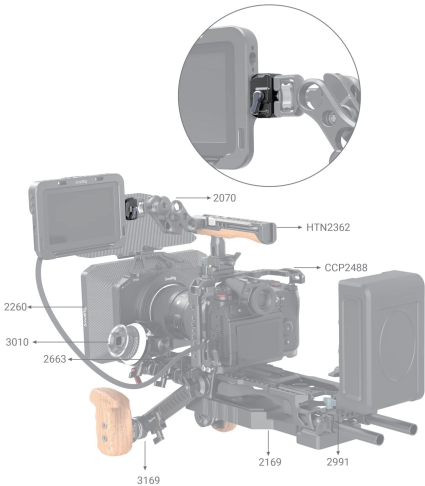

*NOTE: The dowel pins are only fits for Atomos Ninja V ,Ninja V+, Shinobi 7

Rapid Switching

Easy to use

Specifications

Product Dimensions:1.2 × 1.0 × 0.9in / 30.0 × 27.6×25.3mm

Package Dimensions:2.6 × 2.1 × 1.7in / 65.0 × 54.0 × 42.0mm

Package Weight:2.2 ± 0.2oz / 63 ± 5g

Material:Aluminum Alloy, Stainless Steel

Manufacturer Email: support@smallrig.com

Manufacturer: Shenzhen Leqi Innovation Co., Ltd.

Add: Rooms 101, 701, 901, Building 4, Gonglianfuji Innovation Park, No. 58, Ping'an Road,
Dafu Community, Guanlan Street, Longhua District, Shenzhen, Guangdong, China.

Consignor: Shenzhen LC Co., Ltd.

Add: Room 201, Building 4, Gonglianfuji Innovation Park, No. 58, Ping'an Road,
