

# SmallRig

## Top Handle with Cold Shoe

Operating Instruction

SmallRig Top Handle (1/4"-20 Screws) 1638C is designed to facilitate low-angle shooting and reduce burdens on your arm. The well-shaped handle feels comfortable and comes with varied accessory mounts. They include: a cold shoe mount on the front for microphone, LED light, Monitor Mount 2905; an ARRI 3/8"-16 locating hole at the rear end for Monitor Mount 2903; 1/4"-20 & 3/8"-16 threaded holes on the top and both sides for attaching Magic Arm 2070 for monitor mount. This handle also works with Remote Control 2924 in recording for some particular cameras. It can be installed via general threaded holes.

## Safety Guidelines

### 1. Environment

Do not use the product underwater, in extreme temperatures (e.g., freezing or direct heat), corrosive environments, or excessive dust. Dry metal parts immediately after liquid contact to prevent corrosion.

### 2. Load Capacity

Do not exceed the maximum weight capacity indicated on the product. Overloading risks structural failure, deformation, or accidental drops.

### 3. Cleaning & Maintenance

Clean surfaces with a dry, soft cloth. Avoid chemicals like alcohol or solvents. Ensure dry and ventilated conditions for long-term storage.

### 4. Structural Integrity

Do not modify the product (e.g., drilling, cutting)—this compromises structural integrity and increases drop risks.

### 5. Malfunctions

Stop use immediately if you notice deformation, unusual noises, or loose components, and contact support.

## In the Box

Top Handle	× 1	Allen Wrench	× 1
1/4"-20 Screw	× 2	Guarantee Card	× 1

# Product Details

## Key Features

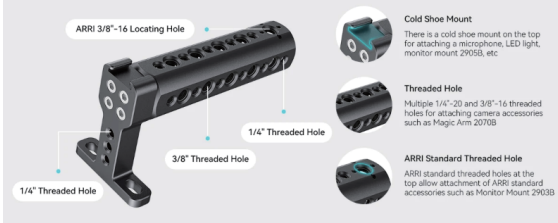

1. Well-shaped and feels comfortable
2. Cold shoe mount, ARRI 3/8"-16 locating holes, 1/4"-20 & 3/8"-16 threaded holes for microphone, LED light, monitor mount, magic arm, etc.
3. Compatible with general threaded holes.

### Mount onto Cage with Two 1/4" Screws

1. The handle can be attached to the top of the cage with two 1/4" screws.
2. The space between the two 1/4" screws is from 27mm to 36mm.

## Exclusive Design

## Compatibility:

Any two 1/4"-20 threaded holes with centers 27 ~ 36 mm spaced apart
