"RhinoCeros" Cage Kit for Sony Alpha 7R V / Alpha 7 IV / Alpha 7S III

Operating Instruction

SmallRig "RhinoCeros" Cage Kit for Sony Alpha 7R V / Alpha 7 IV / Alpha 7S III 4308 is designed to attach accessories and protect the camera and HDMI port. The cage secures the camera firmly via a locating pin, a 1/4"-20 screw, and an M2.5 screw together. It features a clean streamlined design that gives full access to the top buttons. The HDMI cable clamp is tightened via a flat-head screw, protecting the interfaces to ensure stable signal transmission. There are multiple mounting points for attaching other accessories, including 1/4"-20 threaded holes and ARRI 3/8"-16 locating holes for Top Handle 2165C, Side Handle 2093C, one top ARRI 3/8"-16 locating hole for Monitor Mount 2903B, cold shoe mounts for the microphone, LED video light, and a bottom QD socket for shoulder strap. The Arca-Swiss quick-release plate on the bottom supports DJI RS 2 / RSC 2 / RS 3 / RS 3 Pro stabilizers, DJI RS 2 / RSC 2 stabilizer quick-release plate (height increase pad), and Arca-Type Quick Release Plate 3154. This item also features strap slots on both sides and the bottom, compatible with Hand Strap 3848, Shoulder Strap PSC2428, etc. Besides, a magnetic wrench is included for easy disassembly and assembly.

Safety Guidelines

1. Environment

Do not use the product underwater, in extreme temperatures (e.g., freezing or direct heat), corrosive environments, or excessive dust. Dry metal parts immediately after liquid contact to prevent corrosion.

2. Load Capacity

Do not exceed the maximum weight capacity indicated on the product. Overloading risks structural failure, deformation, or accidental drops.

3. Cleaning & Maintenance

Clean surfaces with a dry, soft cloth. Avoid chemicals like alcohol or solvents. Ensure dry and ventilated conditions for long-term storage.

4. Structural Integrity

Do not modify the product (e.g., drilling, cutting)—this compromises structural integrity and increases drop risks.

5. Malfunctions

Stop use immediately if you notice deformation, unusual noises, or loose components, and contact support.
